FORCED TO QUIT

Had Suffered For Twenty-Two Years.

Lost Thirty-Seven Pounds-Tanlac Restored Health.

"I have golten rid of twenty-two years' suffering since taking Tanlac, and I am is well and strong and as I ever was," said Charles A. Rayburn, Fifth avenue, Peorla, Ill., the oth-

began to have stomach trouble

of Fifth avenue, Peoria, Ill., the other day.

"I began to have stomach trouble about twenty-two years ago," he continued, "and up to the time I commenced taking Taniac, I had not been able to find any medicine or treatment that would give me any relief. What I ate would sour and cause me to have awful cramfaing pains right in the pit of my stomach. Very often these spells would come on when I was in the midst of a concert, and I would have to be rushed home where I could get medical aid. I was nervous all the time and never slept well and would often have severe head-aches. My condition just gradually got worse right along. I lost thirty-seven pounds in weight, and finally got so weak and rundown that I had to give up my work altogether.

"One of my neighbore who had been taking Taniac, and was so well pleased with the results he got from it, advised me to give it a trial. That very afternoon I got my wife to go to the drug store and get me a bottle of Taniac, and I began taking it as soon as she got back. In a few days I began to feel better, and could sleep better. I noticed that my appetite was coming back, too, and what I are agreed with me much better. Well, I just continued to take Taniac and kept on improving until I am now as well and hearty as any man in this part of the country. In fact, I was pever in better health in my life. I have regained every pound I lost in weight, and have as much strength and energy as ever. My appetite is good, and I eat three hearty meals every day, and never suffer afterwards. The headaches are gone, and my nerves seem to be in perfect condition, and I sleep like a log every night. Now that is why I tell everybody I meet that it is the best medicine on earth."

Taniac is sold in Topeka by Tully-McFarland Drug Co., \$25 Kansas avenue and 725 Kansas avenue.—Adv.

North Side News

items for this ofund may be left at l'etro's drug store or telephone Eleanor Kimbali, 3331 after 6 p. m. Other hours

Several of the airplane della were dropped in North Topesa inst night. One fell in the 1100 block on Quincy street.

When the Congregational church bell rang last evening at eight o'clock, calling th Siders to their new community

North Stilers to their new community house, one little boy was heard to inquire of another, "Are the Holy Rollers hayin' meetin's again?" "No," said his companion, "It's Boy Beast."

The grathering of people last night at the opening of North Topeka's Community House was representative of the North Side, and a spirit of informality and friendliness prevailed, which made to occasion an unusually pleasant one.

Frank Simms, in a short talk, explained the object the North Topeka Civic club land when they leased this building for a year, with the option of buying it at the end of that time. North Topeka had no place in which meetings of a general insof that time. North Topeka had no ce in which meetings of a general nase could be held; where entertainments, ether for church lodge or club, could given at a nominal cost; where commity sings, socials, barants, etc., could held. The Civic club feeling this lack, ermined that something should be done promote community feeling on the rth Side, and the Community House is result.

to promote community learning of the North Side, and the Community House is the result.

A series of entertainments under the auspices of the Civic club, has been planned for this fall and winter, and with various get-together meetings, North Topeka will awake to the fart that the North Side is a mighty nice place to live in, and the people are the finest, freindilest ever. After serving the refreshments of sherbet, lee cream and cake, the remaining cakes were auctioned off. The highest price paid was 90 cents by Roy Boast, and Frank Shuma, abettoneer, assured the company that Mr. Boast was getting a rare bargain for these days of high prices. Ralph Campbell went one better and paid only 80 cents for a cake dientical in size. John Shaffer bought what Auctioneer Simms Seclared was a "lucky cake," as it has been cut in thirteen pleces, "but the pleces are all here, not hurt in the least, and what am I offered for this ready-to-serve cake?" In spite of such inducements, and its perfectly good condition, the cake was knocked down to Mr. Shaffer for 50 cents.

A carserole, one of the unclaimed prizes in the North Topeka Day contests, was veted turned over to the Civic Club Campbell for \$3.75.

Campbell for \$3.75.

Before the social hour the Civic club held a short session. Reports of various committees were made and a committee composed of V. R. Parkhurst, Arthur Brintanil and Charence Kistler, was sponstreed in regard to getting up a pettion to pave two blocks. A surface water section Morre and Grant street in the cost of this sewer would be installed on Morre and Grant street in time of heavy off surface water in time of heavy off surface water in time of heavy off surface water in time of heavy foliciest, who has made an inspection of the city at large, according to Mr. Parkitset, who has made an inspection of the glats ou the Kanasa avenue bridge over older creek, and a temporary light will a installed at the south end of the bridge is fail, better lights to be put in later.

The BORT, although not carrying the high prices of the big cars, rat has the valuable refinements of the high-priced cars. The DORT is the only one of the light weight, medium-priced cars having an external adjustment on both nules for taking up end thrust wear on axies and differential, which is a special feature of all high-priced cars. This feature is another of the many which makes 100RT owners DORT boosters. For in many makes, instead of taking up end thrust wear, an entire new rear end minst be bought at expense of from \$40 to \$45. The owner does this work in the DORT in ten minutes and does it as good as a mechanic with no additional expense.
